Since our establishment, our only goal is to provide the highest quality and best service to our customers.

Founded in 2012, VKM Plastik, with its sector experience, dynamic staff and innovative approach, serves many sectors looking for customized vacuum plastic solutions, especially the automotive industry. With our ever-growing capacity, we are signing projects that exceed the industry standards.

With more than 8,000 square meters of closed production area, technological infrastructure and integrated production approach, we make a difference. We manage all steps from sheet production to mold design, from aluminum and fiber mold production to vacuum forming, cutting, coating and assembly processes in-house. In this way, we offer our customers not only products, but also a fully comprehensive and reliable solution partner.

Our Vision;

To be a leading brand in the global market by prioritizing sustainability and innovation in the sector. While raising our quality standards day by day, we see it as our basic principle to ensure customer satisfaction and trust.

Our Mission;

Adding value to our business partners by producing customized solutions for our customers' needs. With our environmentally friendly production processes, we aim to contribute to both today's and tomorrow's world.

Kuruluşumuzdan bu yana tek hedefimiz, müşterilerimize en yüksek kaliteyi ve en iyi hizmeti sunmaktır.

2012 yılında kurulan VKM Plastik, sektör deneyimi, dinamik kadrosu ve yenilikçi yaklaşımıyla otomotiv sektörü başta olmak üzere, özelleştirilmiş vakum plastik çözümleri arayan birçok sektöre hizmet vermektedir. Her geçen gün büyüyen kapasitemizle, sektör standartlarını aşan projelere imza atıyoruz.

8.000 metrekareyi aşan kapalı üretim alanımız, teknolojik altyapımız ve entegre üretim yaklaşımımızla fark yaratıyoruz. Levha üretiminden kalıp tasarımına, alüminyum ve fiber kalıp üretiminden vakum şekillendirme, kesim, kaplama ve montaj süreçlerine kadar tüm adımları kendi bünyemizde yönetiyoruz. Bu sayede müşterilerimize sadece ürün değil, tam kapsamlı ve güvenilir bir çözüm ortağı sunuyoruz.

Vizyonumuz;

Sektörde sürdürülebilirlik ve inovasyonu ön planda tutarak, global pazarda lider bir marka olmak. Kalite standartlarımızı her geçen gün yükseltirken, müşteri memnuniyetini ve güvenini sağlamayı temel prensibimiz olarak görüyoruz.

Misyonumuz;

Müşterilerimizin ihtiyaçlarına özel çözümler üreterek, iş ortaklarımıza değer katmak. Çevre dostu üretim süreçlerimizle, hem bugünün hem de geleceğin dünyasına katkıda bulunmayı hedefliyoruz.
